

Following the decisions of the FITASC Board Meeting held July 12th, and of the OGM held last July 13th, we are pleased to confirm you the introduction of the world rankings of shooters on our web site : the **Fiocchi Fitasc World Rankings (FFWR)**, as from January 4th, 2011.

The rankings are set out for the disciplines: Sporting, Compak Sporting, Universal Trench and Combined Game Shooting.

They are issued for the categories: Open, Lady, Junior, Veteran and Super Veteran.

Please find attached a brief presentation, as well as the mode of awarding points **FFWR**.

We draw your attention to the fact that, **the shooters who haven't created any shooter's card on the Fitasc site cannot be ranked in the FFWR**.

Therefore, when your federation organises a Grand Prix, **we kindly ask you to make sure that the shooters register exactly under the same last & first names as recorded in their Fitasc shooter's card**.

Please do not hesitate to contact us for any support or further explanations.
Best regards.
